Subject : One day conference for Judges, Public Prosecutors and Investigation Officers on "Achieving best Evidence in Cyber Cases" Schedule to be held on 22nd January, 2017.

Respected Sir/Madam,

It is a great pleasure to inform your goodself that the Maharashtra Judicial Academy is organizing a One Day Conference for Judges, Prosecutors & Investigation Officers on the subject "Achieving best evidence in Cyber Cases". The object is to enhance the knowledge of the participants on how to achieve the best electronic evidence. Due to the developments in Information Technology, new problems are coming forth day by day regarding the Collection Production, Appreciation and Preservation of Electronic Evidence.

In order to make the conference a successful event, it will be useful to Collect/Prepare a list of Frequently Asked Questions (FAQs) on the subject from all Judicial Officers. Those FAQs would comprise of the most common challenges and tentative solutions in collecting, Producing, Appreciating and Preserving the Electronic Evidence. For the purpose of topic wise sorting and compilation, their soft copy may be sent by email in .doc file (i.e document) format.

You are hereby requested to inform the Judicial Offices in your District to email their suggestions by 10th January, 2017 in soft copy in .doc file (i.e. document) format to mjauttsc@indianjudiciary.gov.in.
